## Schools - Regulations

### Welcome to the Davos Klosters Mountains

We welcome you and your students to the Davos Klosters Mountains.

The ski area offers a wide range of slopes including 269 km spread over 80 different runs. With its 5 winter sport areas the Davos Klosters Mountains belong to the largest snow sport regions in the alps.

In order to support young skiers and snowboarders we have set special rates for schools and sport programs.

### School groups

A ski camp for school children needs to be organized by one of the following authorized institutions:

- Public and private schools
- Swiss youth and sport programm (Y+S)

The tariffs are valid for 15 and more people with the same ticket validity and for the same duration of days.

### Age structure

Tarif 1: Student 6-17 years

Tarif 2: Student 18 – 25 years and accompanying person/teacher

### Ticket purchase

All tickets must be collected by the group leader at once. Individual tickets will not be issued. The tickets need to be picked up at the agreed ticket office.

### Access system

All tickets are issued on a KeyCard (contactless) and with a deposit of CHF 5.00 per card.

All cards must be returned together to receive the refund.

The KeyCard must be carried on the left side of the body, to be recognized by our system.

### Reservation

Please order the tickets by mail at the selected ticket office at least two days in advance.

The reservation must include a list of names and the date of birth of each person. This list must be on official school or local education authority writing paper. The swiss youth and sports programm (Y+S) must also attach the official course announcement.

To speed up the procedure at the ticket office, the tickets will be prepared in advance.
